

Hayrides at the Ramsey Farm

Need of a family activity to do with your troop in the fall? What better way to enjoy the chilly weather and the leaves turning colors than going on a hayride at the Ramsey Farm. Other activities include walking through a pumpkin patch or trying to find your way through corn mazes and others for smaller children. Afterwards stick around for a bonfire where you can enjoy a warm cup of hot chocolate, roast hot dogs and make everyone's favorite, smores!
