Super Heroes!  
Fall School  
2011**

**GIRL SCOUTS OF THE CHESAPEAKE BAY  
Fall School**

## **September 30 - October 2, 2011 Camp Grove Point**

**IT'S A BIRD, IT'S A PLANE, IT'S A GIRL SCOUT VOLUNTEER!** This is your invitation to show your super powers to the world and acknowledge the Super Hero that is inside! It's that time of year again to sign up and attend the timeless tradition of Girl Scouting in the Chesapeake Bay - FALL SCHOOL. Come to learn, laugh, sing and play with your old friends or make some new friends.

Use your super speed and mix and mingle with other GS Super Heroes. Our class list reflects the fun we have built into the weekend. Remember to keep this packet handy as your confirmation will only show your class schedule for the weekend.

### **True Super Heroes of the Chesapeake Bay**

Some of the true Super Heroes in the Girl Scouts of the Chesapeake Bay are found in our wonderful volunteer base. Yes, that is you! We appreciate the work you do, and know that if we intend to keep you interested, involved and functional, we need to educate you for the position you hold. At the same time, we need to inspire you to lead the girls to greatness, whatever grade level they may be. Fall School will help get your new year off to a great start!

Friends, fellowship, fun and education—that is what Fall School is all about. A group of volunteers, just like you, has come together and arranged classes for you to choose from over the course of the weekend. If you are one of the instructors who volunteered to teach, may we offer a heartfelt thank you! We couldn't do it without you.

### **Concession Stand**

A concession stand with drinks and snacks available for purchase will be held at the Dining Hall both Friday and Saturday evenings. Sunday morning will be an optional day. All profits from the concession stand will benefit future Fall School events. Be sure to bring small bills and coins.

### **The Fun Starts on FRIDAY NIGHT!**

Start the weekend with great Wide Game Activity Stations in the Dining Hall. There will be make-it/take-it stations set up for you to have fun and be creative. Stations include SWAPS, fire starters, masks, umbrellas, water bottle tags and t-shirt bags. You need to bring the following items in order to participate: cardboard egg carton, t-shirt, water bottle, Sharpie. Mark the box on your registration form if you want to join in the fun!

### **Special Powers**

There will be several opportunities for you to collect special powers throughout the weekend. Look for special souvenirs when you complete the Challenge Course, fill in your Passport and/or participate in the Sunday Fairy Hunt. Make sure you complete these special opportunities as it will help you gain powers.

### **Super Powerful Fun!**

Find out how much fun can be had when Super Heroes compete. Visit the Super Hero Challenge Course, located on the tennis courts, on Saturday evening. Try your luck at games and earn valuable prize tickets. Activities include Plinko, Road Rally, Frog Leap, Pie in the Face and much, much more!

After enjoying the Challenge Course, head to the Fire Circle by Punch Bowl for a campfire and awards ceremony. Evening options include BINGO, dancing and a movie. Don't forget your White Elephant items for BINGO!
