Designed, planned and implemented by GIRLS YOUR AGE!

This is not your mother's Teen Leadership Weekend – No! That was then but this is NOW. This is YOURS - Take a Journey Through Leadership with us as we introduce you to the new and exciting world of the Journeys Program. We heard you and we are here for you.

Do you want to learn Leadership Skills? Do you want to jump start you or your Troop/Group on the Journeys Program? Do you want to take a giant step towards earning one of our top awards of Silver or Gold? Do you want to learn camping basics so that you can educate others? AND, do you want to have fun as you begin your path to the highest honors and experiences in Girl Scouting?

Then this is THE event for you and your fellow sisters in Girl Scouts. We encourage you to bring your Troop/Group and Leaders along and take that first step on the path of your Journey together, or we welcome your leadership as an individual and your confidence in taking a Journey on your own or preparing to lead your Troop/Group through one.

Come celebrate your desire to learn new skills as we have highly interactive sessions, earn a certificate towards community service hours, bond with your fellow Scouts through an evening designed just for fun, and end with an experience that will set you on a path of individuality and leadership! If you are Cadette, Senior or Ambassador, you do NOT want to miss this.

Overnight accommodations will be both indoors and outdoors and on a first-come, first served basis.

If you are just coming in for the following course(s) and not joining us for lunch, there is no fee:

		TEEN LEADERSHIP WEEKEND WORKSHOPS							
Day	Time								
Saturday October 16	7:15 – 8:15 am	Registration & Breakfast							
	8:15 am	Opening Ceremony							
Please choose a first choice and a second choice	9 – 11:30 am	Cadette – <i>Amaze</i> – Life is a maze. Navigate its twists and turns and you'll find true friendships, meaningful relationships and lots of confidence to boot. So go ahead, enter the maze. The goal is peace – for you, your world and the planet too.	Cadette – <i>Breathe</i> – Take a deep breath. How do you feel? What do you see? Hear? Smell? Get set to focus all your senses on air. This is one airy journey and it's full of flair!	Senior - <i>GIRLtopia</i> – Imagine a perfect world for girls. Imagining is the first step in creating. Make your vision a reality. That's what leadership is all about.	Senior – <i>Sow What?</i> – So, what do you hope for from your food? Great taste? Pleasing smell? Good looks, too? As you dig into Sow What? And get down to the roots, you'll crave a whole lot more. You'll see how your food network can serve up what's best for Earth – and best for you.	Ambassador – <i>Your Voice Your World</i> – How often have you seen something that really needed to be changed and wondered, “Why isn't someone doing something about that?” Guess what? You can be that someone! All it takes is your voice joining with other voices and pretty soon you'll see just how powerful advocacy can really be. So go ahead, start the winds of change with your own little flutter – be an Ambassador and an advocate.	Ambassador – <i>Justice</i> – We all know what it is. Why is it so hard to achieve? Maybe it needs a brand-new equation – your equation. On this journey, Doing the math + getting Sage = a whole new way to inspire justice.	Adult – <i>Leadership Essentials</i> – will be continued after lunch with grade level breakouts
