

Who are Juliette Girl Scouts?

“Juliettes” are girls ages 5 to 17 who want to experience the challenges and benefits of Girl Scouting at their own pace and schedule. Juliette Girl Scouts have an individual membership in Girl Scouts of the USA, the preeminent organization dedicated to girls and girls’ issues.

Our Juliette Girl Scout program is designed to meet the demands of the busy lifestyles of today’s girls. If your schedule does not allow you to attend troop meetings, you are interested in participating in only certain events, or there are no troops available in your area, then Juliette Girl Scouting is for you!

Not only is the Juliette program a fun and flexible way for you to get involved with Girl Scouting, it will also help you build valuable leadership skills, make new friends, and discover exciting new opportunities!
